ENHANCE

Whether your group is BIG or SMALL, we can work with you to make it the best possible experience for your organization. We have been serving groups since 1975. With over 432 acres – we have something for everyone.

Greetings from Granite Ridge Christian Camp & Retreat Center

Granite Ridge Camp has gone through a number of changes over the past several years. The first and most obvious to many of our long-term supporters and campers is the name.

“Be transformed by the renewal of your mind. Romans 12:2”

For decades we have been known as Emmanuel Heights or Camp Emmanuel, and for many the name was synonymous with the experiences had here at camp.

“A new heart and a new spirit. Ezekiel 18:31 & 36:26”

While the name may have changed our goal is still the same; to provide the best possible environment for people to draw closer to God. Other changes aren't so obvious. We have been working tirelessly to enhance the infrastructure of the camp to make it even better than before.

We encourage you to come out and visit Granite Ridge again for the first time.

“We have fellowship with one another. 1 John 1:7”

Whether you have been coming here for years or looking for a new location for a retreat or camp, we hope you will consider coming to Creston with your group.
