

YOU GOTTA CHECK CAMP LOU CON

THAT
EVERY PERSON

WHO ENTERS THROUGH
OUR GATES MIGHT

KNOW
GOD

AND EXPERIENCE THE

LIFE

HE HAS FOR THEM.

What is Camp Loucon all about?

Loucon desires for your child to know God and experience the abundant life that He intends for them.

Loucon's ministry is built around Matthew 22:37-39 which reads "Love the Lord your God with all your heart, your soul, and your mind." This is the first and greatest commandment. And the second is: "Love your neighbor as yourself."

We're God-Centered, Neighbor Driven, and Growth Focused. Everything we do is geared to point our campers to God, to reach every individual where they are, to share God's love and message, and help them understand the value He placed within them. We want our campers to leave changed and to have grown in their knowledge and faith in God, in their relationships with others, and in so many other ways!

Campers have told us that Loucon is their second home; a place where people live and love the way that God intended. We want to share that with your camper!

Closer Than You Think...

Located in Leitchfield, KY on Nolin Lake, Loucon is within a 90 minute drive from Owensboro, Bowling Green & Louisville.

Dear Mom,

There are lots of camps to choose from, and we want to thank you for considering Loucon. You're making a big decision sending your child to summer camp, and we believe this is an experience that will benefit your child for many years to come. Please know that we take caring for your child very seriously.

In Loucon's safe environment, the counselors and staff will reach out to your child, sharing with them the love of God, how He is ever-present, and how much He values them. They will be surrounded by love and encouragement from the counselors, staff, and their new friends.

We know that you worry about your child's safety. Here are a few of the steps we take to keep them safe.

Our summer applicants go through an intense interview process that lasts an entire weekend. We get to know who these young adults are, what they believe, and how they interact with others. We screen their social media, their past employment, and we require and review

references. We perform background checks and a sexual offender search.

After being hired, they train for two weeks, preparing them to work with your child.

Our volunteers must also complete an application, a background check, submit references, and complete a counselor handbook and training. Loucon practices Two Deep leadership; there are two counselors in every room where campers are placed in addition to the other staff at work throughout the week. Our activities are inspected and adjusted annually by an independent organization to

constantly improve and update our safety procedures.

Your child will be protected, loved, challenged, and supported. We want the same for your child as we do our own. We desire that they know God and experience His abundance.

Campers often tell us that Loucon is where they first believed in God or felt His presence. We desire a powerful experience that will benefit your child now and the rest of their lives.

Thanks, again, for considering Loucon this summer. We hope to see you soon. Keep in mind that spaces fill quickly, so register early!

I wasn't at camp long before I made amazing new friends and began to feel like I really belonged.

I soon forgot about being homesick, and instead became focused on this new and incredible place. The atmosphere was unlike anything I had ever experienced.

As soon as I walked onto the grounds, I could feel God's presence around me.

Are you ready
to zipline across a
forested valley? How about
making your way through a tree-
top obstacle course with a giant swing finale?

Try this and more with Loucon's low elements course, climbing and rappelling tower, dangle duo, and high ropes course. With any Loucon adventure activity, you'll have the chance to stretch outside your comfort zone and be a little daring! Our quality, seasoned facilitators ensure a safe environment while challenging you to grow both personally and spiritually as you do things you never thought possible and see connections to your life with Christ.

TRACKS

Tracks are your chance to personalize your camp experience. If you choose to attend Adventure, Jr. High, or Sr. High Summit, you'll spend two hours each morning at "Track Time." You might want to water ski, sharpen your photography skills, compete against the staff in a sport, or practice and perform a musical. All tracks are led by someone experienced in their field, and you're sure to learn a lot while making memories alongside other campers with a shared interest.
