Allegheny Sectional Vendor Exhibition

Tuesday, February 28, 2017

It is that time of year again. The Allegheny Section is preparing to assemble for the 2017 Fireside Conference. As a sector of the Christian Camp and Conference Association, the Allegheny Section consists of approximately 50 Christian facilities representing several hundred professional and volunteer camping leaders in Central and Western Pennsylvania, and Central and Western New York. The section meets annually in February for training, education and fellowship. This year we will be meeting at Jumonville Christian Camp & Retreat Center. Nestled in the beautiful Laurel Highlands, Jumonville is located 50 miles south of Pittsburgh, PA.

As part of the three-day conference, there is a session for vendors to display and share their products and services. We invite you or your designated representative to participate in this portion of our program. We also invite you to engage those in attendance by offering to supply a door prize (with a value equal to or greater than \$25) which will be used to highlight your company when given away during the exhibitors session.
