Joel Taylor: Joel Taylor serves as Associate Pastor of Worship for Circle Drive Baptist Church. He joined the Circle team in August of 2014 after transitioning from a four and a half year worship ministry at Gospel Baptist Church in Greensboro, NC. Prior to that, he had the opportunity to serve as interim worship pastor for Swift Creek Community Church in Richmond, VA. Growing up in the suburb of Arvada, CO, he had the desire to return and make an impact in his home state. After graduating high school, Joel joined a volunteer-based, touring ministry called Living Proof and Primary Focus, and toured throughout America teaching in public elementary schools the value of character and making good choices. After completing his Bachelor of Music degree from Liberty University, Joel began his seminary studies at Southeastern Baptist Theological Seminary in Wake Forest, NC in the summer of 2011. He is planning on completing his M.Div soon and is excited about how God continues to faithfully lead him in such an incredible journey.

Joel and Kristine have been married since 2010 and have two incredible children, Lillian, and Joey. Kristine graduated with a Bachelor of Arts degree in Women's Ministry and continues to passionately serve the Lord and bless her family by staying at home and caring for their children. As a family, they enjoy hiking, sight-seeing, going to parks, museums, and zoos...oh, and eating. Joel also enjoys a good, competitive round of disc golf.

PROGRAM INFO:

Come prepared to fellowship; share ideas, challenges and victories; learn, relax, and worship!

General Sessions (4) - Each general session is a time for some business, networking and sharing information. The greatest purpose is for worship and growth. This year, our keynote speaker is Pastor Mark Hallock and our musical worship time will be led by Pastor Joel Taylor.

Networking - There are two scheduled times for networking. Many of us feel that getting to know and pray for other camping professionals and their families and ministries is one of the greatest benefits in attending a sectional. Make good use of these scheduled times and look for unscheduled opportunities to have fun, share and get to know other attendees.

Wranglers - This year we are privileged to have a well-known, local-flavor, professional group performing for us Tuesday night. [The Flying W Wranglers](#) will have us laughing, singing and clapping and stomping.

Auction - We will once again have an auction on Wednesday night. The auction provides a lot of fun competition and everyone has an opportunity to take home great items/gifts. (The auction provides funds for scholarships that allow some of our folks to attend the Sectional.) Please bring items that can be auctioned - small or large, provided by a person, family or camp - they are all highly valued and appreciated. Also, please include a starting bid for all auction items donated; this helps us price our items coming in. Thank you in advance for your donations.

Activities - Although we have a pretty packed schedule, we want you to have time to recreate and relax. There are many activities on and off campus to enjoy.

Workshops - You will have opportunity to choose 4 workshops to attend from the 28 that will be offered. (See titles below)
