Mastering Fear: Discovering and Leveraging Deep Fears that Thwart Maximum Ministry

Fear is an incredibly human quality, which serves only in two ways: beneficial or harmful. Remember as a child your tummy filling with butterflies? Could it be that you were afraid? As a child, fear is used by parents to keep them from harm. Your harmful fear will cause you to lock up; beneficial fear will cause you to flee from danger. In other words, fear can be friend or foe. Come to this workshop to discover harmful fears and to turn them into the one and only fear we are to have. the key to change is to let go of fear.
