ONE MISSION: Impact People with Jesus Christ

Grace Adventures is a year-round Christian organization that creates experiences that live on for students, adults, and families through a variety of Training, Retreats, and Camps.

Paradise Ranch is a year-round ranch ministry that provides life-transforming horsemanship experiences for students, adults, and families.

Dunes Harbor Family Camp is a Christian family campground and RV park designed to help families create experiences that will last for generations.

The Shack is a year-round ministry of hospitality, serving as a peaceful retreat and training center for adults, couples, and groups.

We can come to you! We offer programs at a location of your choice.

Grace Adventures Ministries offers a variety of portable programs including speaking, training, horsemanship presentations, traveling camps, and more!

Whether you're an individual, family, church, parachurch, school, university, or community organization, you can benefit through our various programs:

GROUPS SERVED ANNUALLY

50,000+
PEOPLE SERVED ANNUALLY

Our experiential programs meet the unique needs of people by developing them personally through fostering healthy relationships, professionally by building leadership skills, and spiritually by deepening faith.

Training – focus on equipping groups and individuals at their point of need by connecting beliefs, values, and behavior through healthy relationships, creating a culture of value, and building character-based servant leaders.

Retreats – create an environment for guests and groups to retreat away from life to achieve specific outcomes through a variety of activities, programming, and the use of our facilities.

Camps – provide safe, fun, challenging, and growth-centered environments in which students are challenged and equipped whether it is in a summer, school, or sports camp experience.

Community Worship – summer worship experience for the temporary community of Silver Lake area residents, visitors, and families.

Internships – prepare young adults in identity formation, character development, and life planning while serving alongside full-time staff in vocational ministry.

Family Campground – provides a safe, clean, and fun Christian environment where families, churches, and groups can enjoy time together through intentionally shared quality experiences in God's creation.

“One Life Touched by God can Change the World”
