Mt. Gilead is affiliated with InFaith: An American Mission. Our programs have Biblical teaching on salvation and guidance for daily living available through Jesus Christ. Rules for participation are the same regardless of race, color, sex, age, national origin or ability. Guests of all ages are expected to attend scheduled activities and events.

What is Mt. Gilead?

Mt. Gilead is a non-denominational Christian camp and conference center in the coastal redwoods of western Sonoma County. Founded in 1963 by InFaith Missionary, Dwight Jungkiet, we continue in our core mission to support the local Christian church and share the hope found in Jesus Christ with our campers that attend our programs. In addition, we rent our facilities to churches and other Christian organizations.

Our Staff

We are here to support you and your ministry event with our prayers and our outstanding custom service. Our goal is to help your group grow closer to Jesus in an undistracted space in the beautiful redwoods.
