WHAT WE'RE ALL ABOUT.

Northern Frontier Camp began in 1946 (then Frontier Camp) in Croton on the Hudson, NY. Now through God's provision and watchful eye, we begin our 79th year. We are still running strong partnering with

families and churches to raise up boys into godly men. Our property is located in Indian Lake, NY in the southern part of the Adirondack State Park with access to the Hudson River Gorge, wilderness ponds, and OK Slip Falls. We are proud of our heritage and continue the charge to carry out our mission. The mission remains the same: **TO GLORIFY GOD BY DEVELOPING BOYS AND MEN INTO GODLY LEADERS THROUGH CHRIST-CENTERED CAMPING AND OUTDOOR ACTIVITIES.**

Northern Frontier's counseling and trip staff go through a rigorous screening process, online training, and a 2 week in person training in preparation for service. Our staff models a servant's attitude and builds strong godly character into each and every camper. Our staff will guide your sons through outdoor adventures, and action-filled outdoor experiences which will strengthen their relationship with God. It will also prepare them to be bold disciple makers of Christ, in their communities, work places, and beyond.

Northern Frontier also develops and positively impacts the relationship between fathers, father figures, and sons, through our specially designed Tree Climber and Father and Son Camp programs.

Our Leadership seeks to embody, model, and proclaim the character traits shown on the right, as God equips us as Christian leaders. We love God and want to see NF continue to impact boys and men to **BOLDLY** bring the Gospel to those they come in contact with.

A message from NF's Director.

Northern Frontier is a wilderness camp where your son will be inspired and challenged by God's creation. Our purpose is to teach them about Christ through outdoor activities and direct them to His Word throughout the day. Our vision is that we can continue for future generations to partner with families and the church to build boys and men into Godly leaders that will stand for Christ as adults, husbands, and fathers. We look forward to joining you as your son becomes the man God intended him to be. Please feel free to contact me; I would love to tell you more about our ministry."
