Zach Cunningham

We welcome back Zach Cunningham this year as our youth speaker. Zach is the Director of The Salt Company, the college ministry of The Commons Church, in East Lansing, Michigan. He and his wife Mallie moved from Texas to join the Salt Network. This past summer, they just added to the family a little baby girl. Their desire is for The Commons Church to be a multi-generational church with a focus on the next generation.

MISSIONS

JAARS

JAARS is a multidisciplinary team of problem-solvers committed to the belief—and the vision—that people's lives and communities are transformed as they experience God's Word in their own language. They are a community of full-time missionaries, dedicated volunteers, and a few employees who work together to accomplish the Great Commission goal of providing Scripture to every people group on earth in a language and form they clearly understand. They do that by supporting Bible translation and language development partners globally, and by working with prayer and financial partners in the United States to help make a range of unique on-the-field solutions possible.

CHILDRENS

Joe Schmidt

The Children's Program welcomes back Joe Schmidt, Minister of "Encour-Edifi-Tainment." Joe shares key life principles to help kids in their relationships with God, themselves, other people, and the changing circumstances of life. Joe uses music, object lessons, illusions, humor, and stories to share a powerful message of God's hope, restoration, and encouragement.

WORSHIP

Jordan Herrera

Jordan is the Worship Pastor at Frankenmuth Bible Church. Jordan has been doing full-time ministry since 2012. He has been involved in planting churches and developing leaders. He and his wife Kirsten met at their time at Baptist Bible College down in Springfield, Missouri. Kirsten grew up coming to Simpson Park, and now they get to share this camp experience with their 3 kids.
