

## Doorkeepers Christian Outreach

### Facilities

We are a non-denominational resource for Christians and Christian groups to come together. The facility is typically open for events from April through September depending upon the weather.

**Multi-Purpose Room:** 48' x 58' clear span room has a 5'x20' stage with a piano on the north side, large fireplace and ceiling mounted screen to the east with dormitory/activity rooms beyond and the kitchen and restrooms to the west. This room can be set up for concerts, seminars, training sessions, dinners, church meetings, wedding receptions and other social occasions. An ample quantity of tables and chairs are available in the storage area adjacent to the stage.

**Kitchen:** Large facility with one gas stove with eight burners and two ovens under hood, an electric range, refrigerators, sinks, serving station, cupboards, and assorted cooking utensils. It is adequate to prepare food for large meetings or week long retreats.

**Men's and women's restrooms:** each have three showers with dressing areas, toilets and sinks to accommodate overnight events or large gatherings.

**Two Activity/Dorm rooms:** these rooms can be used as class, activity, game or sleeping rooms. With the cots these rooms can each house up to twenty people overnight using stacked bunk beds. There is an overflow dorm on the second floor. Fifty stacking cots and foam mattresses are available. Additional activity/dorm rooms and cabins (5+) are available outside the main building that accommodate 6-10 people per room for overnight stays.

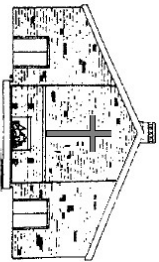

The office is a place for the event speaker or leader to stay. It includes a desk and bed that is separate from but not far from the dorms.

Other activities include swimming, volleyball, carpet pool, ping pong, foosball, basketball (half court), hiking, and tent camping.

Available to host:

- Youth retreats
- Training seminars
- Church conferences
- Leadership meetings
- Wedding receptions
- Home-school events
- Family reunions
