>>> **DAY CAMP 2026**

Care:

We are thankful for the team of loving, caring, godly men and women ready to care for and serve our campers each summer! Fulltime H*VMI staff members plan and supervise all Handi*Camp programs. They have a variety of educational backgrounds and many years of experience working with people who have disabilities. Summer staff members go through an extensive application process, including background checks and training. In order to provide quality care, the overall attendee to staff ratio is one-to-one.

Program:

- Growing spiritually through Bible and chapel times. The Bible emphasis is non-denominational and Christ-centered.
