TRAVEL DIRECTIONS

FROM YAKIMA: Follow Highway 12, west. Go through the tunnel and turn left on Tieton Road, which is the first main road past Silver Beach Resort (between mileposts 158 and 159). Follow the blacktop for approximately 4 1/2 miles. Camp is on the left side with a Wenatchee National Forest Organizational Camp sign marking the entrance. The sign also says, "Clear Lake Grace Brethren Camp."

From I-5: Take the Highway 12 east exit. The camp is approximately 9 miles east of the summit of White Pass. Turn right on Tieton Road (between mileposts 158 and 159) if you pass Silver Beach Resort, you have gone too far. Follow the blacktop road for approximately 4 1/2 miles. Camp is on the left side of the road with a Wenatchee National Forest Organizational Camp sign marking the entrance. The sign also says, "Clear Lake Grace Brethren Camp."

Clear Lake Grace Brethren Camp provides a mountain setting where Biblical truths may be shared in such a way as to both build up Christians and introduce non-believers to the Lord Jesus Christ.

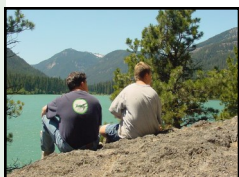

Since 1937, the Camp has been an instrument in God's hand to share the good news that Jesus Christ came to earth to demonstrate, through word and deed, the limitless love and power of almighty God.
