

Estes Park, Colorado

www.WindRiverRanch.com

Wind River Ranch is located at 9'200 feet and seven miles south of the quaint town of Estes Park, Colorado. The ranch is perfectly located with Rocky Mountain National Park to the front and back of the property. This Colorado Christian Family Dude and Guest Ranch is nestled in the beautiful Tahosa Valley near the base of the majestic, snow-capped Long's Peak (14,256') mountain.

Wind River Ranch is the perfect fit for families who want a true family vacation. Many times, moms and dads come back from a family vacation emotionally and physically worn out. Here at WRR, we specialize in providing a flexible family camp and dude ranch program that caters to each family members' needs. Parents don't have to spend their vacation deciding and planning the next activity, transporting everyone to the next event, or deciding what restaurant appeals to everyone's taste buds. Our focus is to create a week-long environment where families can rest, relax, and renew... and have a blast doing it!

A Variety of Activities

Kids' Club (which meets for a couple of hours in the morning) is for kids birth to 8 years. Kids will enjoy plenty of playtimes, craft time, and lessons geared around Bible stories. We also offer babysitting for younger children, so that parents can go hiking or horseback riding knowing that their children are loved and cared for by our skilled staff.

Tweens and Teens' Clubs are for the older kids. These include programs with fun activities at the ranch (think archery, team building activities, climbing wall, zip line, etc.) as well as daily interactive Bible studies with our staff leaders.

For those who like to stay active, we have several options. Our amenities include a beautiful heated pool and hot tub, a basketball and volleyball court, a Frisbee golf course, pool tables, ping pong, and air hockey (and more).

If you're interested in hiking, the ranch has direct access from the property to some hiking trails. There are also many options for hiking in Rocky Mountain National Park. And we've stretched a few hammocks among our Aspen groves for those who want to put their feet up and soak in the peace and quiet!

Of course, keeping to the western theme, we offer country dancing, wrangler breakfasts, a kids' rodeo... There's never a dull moment around here.

If you feel like shopping, the quaint, historic town of Estes Park is just 10 minutes away.

At this Christian dude ranch, your whole family will gather around our dining tables to enjoy incredible meals freshly prepared by our chef. You'll laugh along with your family as they retell the events of the day. All dinners will include a kid-friendly option to keep our little ones happy. Our chef and kitchen staff do a fantastic job making sure that guests with food allergies have specially prepared meals as well.

If you're interested in horseback riding, then you've come to the right place! Our horses and wranglers are ready to guide you through some of the most beautiful terrain that this country has to offer. All guests complete riding and horse orientation on Monday and from then on, you can ride, fellowship, and enjoy the Rocky Mountains. If you have a hankering for going a bit faster, you can schedule a lesson with one of our wranglers in our outdoor arena or team penning with our cattle. We also offer special horse rides on nearby private ranches where you and your horse can experience true western riding.

Our horse program is available to all of our guests subject only to certain age, weight, and health restrictions. The minimum riding age for trail rides is 7 years old and every one must pass orientation before going out on the trail rides. For those under 7 our wranglers will be happy to take them for a ride on one of our ponies so they too can get their horse time in.
