Majestic Scenery

Doe River Gorge consists of rugged mountains, scenic meadows, vertical rock cliffs, rushing whitewater rapids, and colorful flora. You'll be captivated by the beauty of God's spectacular creation.

Fascinating History

In 1880, a railroad was constructed from Johnson City, TN to Cranberry, NC. A portion of this railroad has been restored through the Doe River Gorge and provides scenic excursion trips into the Gorge, as well as transportation to various sites where you can experience amazing wilderness adventures.

Exhilarating Adventure

Doe River Gorge explodes with adventure. Rappel sheer cliffs, tube whitewater rapids, brave rope challenge courses, race down ziplines, and engage in a battle of paintball. Saddle up a horse and ride along a quiet mountain trail, challenge your friends to a game of octaball, or enjoy some incredibly fun activities at the action-packed lakefront. Doe River Gorge is a place where you can experience fun and laughter while creating lasting memories.

SEQUENTIAL PROGRAMS

for Personal and Spiritual Growth

Children and teens live in a busy world. School, sports, homework, extracurricular activities, friendships, recreation, and social media all vie for their attention. But living in this high-tech, fast-paced, win-at-all-cost culture can leave its scars on young people. Loneliness, rejection, low self-esteem, pressure to perform, and fear of the future are some of the struggles that cause anxiety and heartbreak.

Doe River Gorge desires to partner with parents and youth leaders to help children and teens navigate through these formative years. From the time a student enters second grade until they graduate from college, Doe River Gorge offers sequential, age-appropriate programs that will inspire, educate, encourage, and equip students to be all they can be. In this fun, loving, and caring refuge, students have time to grasp their value and worth, discover their gifts and abilities, develop Christ-like character, and meet God in life-changing ways.

Explore our programs to find the launching point for the young person you love. Working together, we can raise up a generation of young people who live lives for the glory of God.
