

About Facility Rentals

We serve groups of 10-140 year-round. Our guests sleep in large cabins (8), a retreat center and a handicap accessible cabin. We pride ourselves in hospitality and meeting the needs of the groups we serve.

We host not-for-profit groups and their guests. We welcome summer camps, retreats, youth groups, quilting guilds, congregations, conferences and adult groups.

Our camp's name, Koinonia, focuses on fellowship and community. Join us at camp and grow closer to God while spending quality time with each other.

Donating to Camp

We are constantly maintaining and upgrading our facilities. We welcome your financial support in order to continue our ministry. Donate online or mail your gift directly to camp.
