

SWIMMING POOL

This is a heated swimming pool available for private parties from May through September. Have fun in the family-friendly design of gradual sloping water starting at 1/2 foot to 3 feet with volcanoes, fountains, basketball goals, and 4 feet with a waterslide and play area. There are also canopies on deck to relax on a comfy chair in the shade. Schedule a private pool party at SBYCamp!

SUMMER CAMP

There is a camp session for everyone! From first time Kindergarten campers all the way through 12th grade, and even Family Camp! Summer Camp is so important because campers are in a different setting than their daily routine. This allows them to take a step back, break away from the craziness of their schedules, and really think about some of the important things in life. With the pressures, expectations, and artificial limitations from others gone, campers will make new friendships that could last a lifetime! They will disconnect from technology, and CONNECT with the people around them and with the God who made them! At camp they are surrounded by leaders who really care about them and will share the love of God with them!

How is paintball a ministry? This is a sport with many different game-modes that teach teamwork, leadership, and moving forward when you're afraid. After the games are played, there is an opportunity to share how to live like Christ in our daily lives, how to share the gospel, and how to be an example wherever we are! These are all taught through the lessons learned out in the field!
