# CAMP OPPORTUNITIES

## SUMMER CAMPS

Are you looking to invest in the next generation at your church? We offer two unique weeks of camp. We have a camp one week for juniors (ages 8-12) and one week for teens (ages 12-19). We experience powerful preaching, singing, fun activities, lodging, and meals for one affordable price.

## YOUTH RALLIES

Don't let the "summer camp high" be a thing for your youth group. We offer free quarterly South Georgia Christian Youth Fellowship youth rallies for churches and individuals to bring their youth to VFC for renewal and refreshing.

## CAMP RENTAL

VFC is the place for you to host a Christian retreat, team-building, banquets, staff retreats, youth camp, family camp, sporting events, outdoor recreational groups, conferences, and more! Venture of Faith can accommodate up to 350 campers and staff. Meals can be added as part of your booking.

## RETREATS

We are growing our calendar with year-round retreat opportunities for men, women, couples, families, and more!

## GET INVOLVED

Phase 1: Fundraising goal of \$500,000. We believe in God for 500 churches, individuals, and businesses who will agree to partner with us for a generous donation of \$1,000. These funds will allow us to fully purchase the camp, complete needed renovations, and make several immediate upgrades. We will have an area in the tabernacle honoring all who gave and partnered with us to reach our goal.
