Circulation
Circulation of InSite is more than 5,800, published six times per year and mailed via periodicals rate. Subscriptions are included with membership in CCCA. Non-member subscriptions are $29.95 ($39.95 foreign); single copies $4.99 each.

Additional Promotion
Your ad placement is highlighted by a listing in our CCCA InSite Advertisers Index display ad, noting your company or organization’s name, the page on which your ad appears and your website address.

Special Positions
All position stipulations appearing on insertion orders will be considered as requests. Positions will be guaranteed only after consulting publication as to availability. For all guaranteed positions, add 10% to space rates on page 6.

Guaranteed placement of your ad only occurs for full-page advertisers. Layout complications makes it impossible for us to guarantee that fraction-of-a-page ads will not appear on the same page as a competitor, but cannot guarantee it.

Digital Ads Only
InSite is created completely electronically and is available in digital and PDF formats.

PDF Format
Ads must be submitted in Adobe Acrobat high-resolution PDF format.

Digital Specifications
Images must be saved in grayscale or CMYK mode and be at least 300 ppi at 100 percent. Do not use RGB, index color, JPEG, LZW compressed graphics, or files saved as QuarkXPress EPS files.

Cancellations and Changes
Cancellations as well as changes in insertion orders must be made in writing (email bbailon@ccca.org) and may not be made after the reservations deadline.

Preferred or special positions are not cancelable after 60 days before reservations closing date. For policies on cover cancellations contact the business relations manager.

Liability/Changes
The publisher assumes no liability for errors in advertiser name, page number reference or website address listed in each issue’s Advertisers Index. Advertisers will be billed a minimum of $75 per hour for any additional costs involving extra ad preparation, such as type modifications or corrections, and/or design changes.

Discounts and Commissions
Rates are subject to change without advance notice; contracts in effect at the time of rate change will be protected for two months.

Advertising must be inserted within 12 months of first insertion to earn the multiple edition ad placement discounts. Advertisers will be short-rated if within a 12-month period they do not use the space upon which their billings have been based. Advertisers will be rebated if they use sufficient space within a 12-month period to qualify for a lower rate than at which they have been billed.

Business Member Discount
Advertisers supporting CCCA through direct, annual business membership may deduct 5% from advertising rates shown. (Business member fees for the 2020–2021 fiscal year are $619.)

Commissions
Commission to recognized advertising agencies—those having a separate and distinct business identity, whether in-house or outside—is 10% of gross billing of display space. There is no commission on artwork, special handling charges or discounts. Payment must be received in the CCCA office within 30 days of invoice date.

New advertisers and unlisted agencies must establish credit by sending full payment with first insertion order.

Advertiser must pay directly to InSite magazine all charges for advertisements placed by its appointed agency if the agency defaults in paying for those advertisements.

All discounts will be forfeited on all unpaid invoices over 30 days from invoice date. This includes agency commissions and business member discounts.

Publisher’s Copy Protective Clause
Advertisers and advertising agencies assume liability for all content (including text, representation and illustrations) of advertisements printed, and assume responsibility for any claims arising therefrom made against the publisher.

CCCA is a nonprofit organization committed to furthering Christian camping. CCCA provides limited space for advertising opportunities, services and products to advance the cause of Christian camping. CCCA is not responsible for the claims made by its advertisers and reserves the right to select or reject any advertising, in the sole discretion of CCCA, for any or no reason.
Exhibiting
Christian Camp and Conference Association’s annual national conference is a relationship-driven event for leaders serving in Christian camp, conference and retreat center ministries. It is historically the most creative, well-attended event for those involved in camp and conference ministry. Camp/conference leaders come to the national conference eager to view the many varied products/services on display and plan for the new year ahead. Eighty-seven percent of CCCA members operate year-round facilities.

Exhibiting at the national conference can give you valuable face time with decision makers. On average, executive directors attended three out of the last five CCCA National Conferences and Exhibitions. But executive directors aren’t the only ones who attend this conference. Other key influencers attend as well: board members, program directors, foodservice directors and other decision-making staff.

Advertising
To further your promotional impact, consider placing a display ad in the national conference program. Contact CCCA’s Business Relations Manager for more information.

Sponsorship
When you support CCCA through sponsorship, you position your company as an industry leader. You further your exhibiting investment and increase your visibility while helping your company stand out—and above—your competitors.

CCCA offers several sponsorship opportunities. Depending on the sponsorship you select, you can gain valuable added exposure through on-site signage, the printed conference program and more.

To request sponsorship or for more details, call CCCA at (888) 922-2287, ext. 121 or email us at bbailon@ccca.org.
Flint & Steel E-newsletter
This heads-up member service offers association bulletins, industry-related regional and national news, statistics and societal trends, new product and service information, and a brief devotional thought. It’s communicated in a timely email broadcast, launched on the first and third Tuesdays of every month. The e-newsletter is sent to nearly 7,000 recipients. Flint & Steel Classifieds are part of the Flint & Steel service. Flint & Steel is only available as a member benefit. Flint & Steel’s open rate is above industry average, reaching decision makers across the movement.

Section President’s Briefing (SPB)
This monthly publication features CCCA national office news, timely leadership resources and a look into news covering broader Christian world events. CCCA section presidents send out SPB to their sections, often posting SPB links on their section social media pages and circulating the publication throughout their section. SPB goes out the first Monday after Flint & Steel.
