## Circulation

Circulation of *InSite* is more than 5,000, published five times per year and mailed via periodicals rate. Subscriptions are included with membership in CCCA. *Nonmember subscriptions are \$48 (\$58 foreign); a single issue is \$12 and includes shipping.*

## Additional Promotion

Your ad placement is highlighted by a listing in our CCCA *InSite* Advertisers Index display ad, noting your company or organization's name, the page on which your ad appears and your website address.

## Special Positions

All position stipulations appearing on insertion orders will be considered as requests. Positions will be guaranteed only after consulting editor as to availability. *For all guaranteed positions, add 10% to space rates on page 6.*

Guaranteed placement of your ad only occurs for full-page advertisers. Layout complications make it impossible for us to guarantee that fraction-of-a-page ads will not appear on the same page as a competitor. We will make an effort to create space between competitors, but cannot guarantee it.

## Digital Ads Only

*InSite* is created completely electronically and is available in digital and PDF formats.

### Sending files

Upload your high-resolution PDF at:

Preferred or special positions are not cancelable after 60 days before reservations closing date. For policies on cover cancellations contact the business relations manager.

## Liability/Changes

The publisher assumes no liability for errors in advertiser name, page number reference or website address listed in each issue's Advertisers Index. Advertisers will be billed a minimum of \$75 per hour for any additional costs involving extra ad preparation, such as type modifications or corrections, and/or design changes.

### Color

All ad sizes include four-color process at no additional charge.

### Bleeds

Full-page bleed is no additional charge. (Bleeds unavailable for other sizes.)

## Discounts and Commissions

### Commissions

There is no commission on artwork, special handling charges or discounts. Payment must be received in the CCCA office within 30 days of invoice date.

New advertisers and unlisted agencies must establish credit by sending full payment with first insertion order.

Advertiser must pay directly to CCCA all charges for advertisements placed by its appointed agency if the agency defaults in paying for those advertisements.

All discounts will be forfeited on all unpaid invoices over 30 days from invoice date. This includes agency commissions and business member discounts.

## Publisher's Copy

### Protective Clause

Advertisers and advertising agencies assume liability for all content (including text, representation and illustrations) of advertisements printed and assume responsibility for any claims arising therefrom made against the publisher.

CCCA is a nonprofit organization committed to furthering Christian camping. CCCA provides limited space for advertising opportunities, services and products to advance the cause of Christian camping. CCCA is not responsible for the claims made by its advertisers and reserves the right to select or reject any advertising, in the sole discretion of CCCA, for any or no reason.

**Exhibiting**

Christian Camp and Conference Association's annual national conference is a relationship-driven event for leaders serving in Christian camp, conference and retreat center ministries. It is historically the most creative, well-attended event for those involved in camp and conference ministry. Camp/conference leaders come to the national conference eager to view the many varied products/services on display and plan for the new year ahead. Eighty-four percent of CCCA members operate year-round facilities.

Exhibiting at the national conference can give you valuable face time with decision-makers. On average, executive directors attended three out of the last five CCCA National Conferences and Exhibitions. But executive directors aren't the only ones who attend this conference. Other key influencers attend as well: board members, program directors, foodservice directors and other decision-making staff.

**Advertising**

To further your promotional impact, consider placing a display ad in the national conference program. Contact CCCA's business relations specialist, AJ Reding, at [business@cca.org](mailto:business@cca.org) or (888) 922-2287, ext. 121 for more information.

**Sponsorship**

When you support CCCA through sponsorship, you position your company as an industry leader. You further your exhibiting investment and increase your visibility while helping your company stand out — and above — your competitors.

CCCA offers numerous sponsorship opportunities. Depending on the sponsorship you select, you can gain valuable added exposure through on-site signage, the printed conference program and more.
