*Network-* No one understands camp like other camp people! The relaxed atmosphere and smaller group size of the advance will allow you to meet, connect and get to know other people in your same position.

*Share-* In the round table format YOU are the expert. Instead of seminars and speakers this is camp people talking to camp people which means you can gather ideas, ask questions and gain from our collective wisdom.

*Encourage-* Get away from everyday normal to connect with yourself, others and God.
