

Minn-E-Dakotas Spring Programmer's Advance

Attention CCCA Programmers/Staff/Interns

You're invited to join us for a programming brainstorm extravaganza. The world's best programmers, oddly enough, are all from CCCA Minn-E-Dakotas. Camps will meet together to share ideas, war stories, and solutions to problems and issues.

Topics will include staff training, games, skills classes, skits, themes, rainy day activities, songs/music, speakers, resources, and any number of things that we choose to discuss. It's your event, so bring topics that you would like insight on! We hold no trade secrets at CCCA Minnedakotas!
