Minn-E-Dakotas *Spring* Programmer's Advance

Attention CCCA Programmers/Staff/Interns

You're invited to join us for a programming, brainstorming, networking extravaganza. Camps will meet together to share ideas, war stories, and solutions to problems and issues, as well as meet new friends and connect with old ones.

Topics will include staff training, games, skills classes, skits, themes, rainy day activities, songs/music, speakers, resources, and any number of things that we choose to discuss. It's your event, so bring topics that you would like insight on! We hold no trade secrets at CCCA Minn-E-Dakotas!
