

"Beside Still Waters"

Take a break from your daily routine and enjoy time learning with and from other camp-minded people. "Beside Still Waters" will help us take time for God, others and ourselves in our chaotic day-to-day living.

OUR SPEAKER IS CASEY SPEIGNER

Casey and his wife Jennifer are looking forward to joining us from Northport, Alabama, where Casey serves as the minister of worship and education at Chapel Hill Baptist Church. Casey has been serving churches for 25 years. He and his wife Jennifer have two children.
